This matter is before the Court on Plaintiff's filing [Doc. #23], contending that his prior Objections have not yet been heard and that he should be given the opportunity to file a corrected Complaint. However, Plaintiff's prior Objections were overruled by Order entered on October 27, 2023. Therefore, Plaintiff had until November 27, 2023 to file a corrected Complaint consistent with the Court's guidance. In light of Plaintiff's current filing, it appears that he may not have received that Order. Therefore, the Court will direct the Clerk to send Plaintiff another copy of the Order [Doc. #17]. Plaintiff will have 30 days from the date of this Order, until June 10, 2024, to file a corrected Complaint in compliance with the prior Orders in this case. To the extent that Plaintiff continues to request copies of his prior filings with the Court in this case and in 1:19cv24 and 1:20cv887, as previously noted this request would involve printing and mailing hundreds of pages, and Plaintiff has not presented a sufficient basis to support that request.

This, the 9<sup>th</sup> day of May, 2024.
